

0.37 Kw

50/60Hz
230V

Sfogliatrice verticale compatta da tavolo indicata per la laminazione della pasta in genere, delle piadine, della pizza tradizionale e al taglio. I 3 cilindri ed il piano intermedio consentono 2 passate in un unico ciclo, consentendo tempi di laminazione più rapidi. Struttura in acciaio inox. Adatta a panetterie, pasticcerie, ristoranti, comunità e pizzerie

Compact table-top vertical sheeter suitable for laminating traditional and sliced pizza and dough in general. The 3 cylinders and the intermediate table allow 2 passes per cycle, which ensures faster laminating times. Stainless steel structure. Suitable for bakeries, pastry shops, restaurants, community centres and pizzerias

Laminadora vertical compacta para banco indicada para la laminación de la masa en general, para la pizza tradicional y de corte. Los 3 cilindros y el plano intermedio permiten 2 pasos en un ciclo único, permitiendo tiempos de laminación más rápidos. Estructura de acero inoxidable. Apta para panaderías, pastelerías, restaurantes, comunidades y pizzerías

Laminoir vertical compact à table, idéale pour le laminage de la pâte en général, pour la pizza traditionnelle et en tranches. Les 3 cylindres et le plan intermédiaire permettent de laminer la pâte deux fois dans un seul cycle en garantissant des temps de laminage plus rapides. Structure en acier inox. Idéale pour les boulangeries, les pâtisseries, les restaurants, les communautés et les pizzerias

Компактная вертикальная настольная тестораскаточная машина, предназначена для раскатки различных видов теста, а также теста для традиционной и порционной пиццы. Три цилиндра и промежуточный рабочий стол позволяют выполнить 2 проката за один цикл и сократить время процесса раскатки. Корпус из нержавеющей стали. Предназначена для пекарен, кондитерских, ресторанов, общественных заведений и пиццерий
